THE HARTLEY HOSPITAL, COLNE.

THE Hospital, fully equipped, was the gift to their native town, of the late Sir William and Lady Hartley, and was opened on the 21st June, 1924, by Miss Christiana Hartley, J.P., of Southport. The Hartley Hospital superseded the Colne Jubilee Cottage Hospital, also the gift of Sir William and Lady Hartley, which was opened on the 20th April, 1900.

The Hartley Hospital stands on the northerly side of the highway leading from Colne to Keighley. The site rises steeply from the highway, and the buildings are set back 100 feet, the intervening space being laid out in terraced lawns. The whole site occupies an area of about $4\frac{1}{2}$ acres.

Children's Ward.—30ft. long, 22ft. wide, 11ft. high; Eight beds and one baby's cot, with day room and necessary conveniences.

Men's Ward.—50ft. long, 27ft. wide, 12ft. high; Twelve beds, with day room and necessary conveniences.

Private Wards.—Four in two pairs, each pair having its own bathroom and sanitary accommodation.

Emergency or Isolation Ward—Two beds.

Operating Theatre, with sterilising and anæsthetising rooms; Dispensary, etc.

An extension of the buildings was completed during the year 1934 to accommodate new X-Ray Department and Out-Patients' Department, with waiting hall, Consulting and Treatment Rooms.

A suite of Sitting Rooms, with Kitchenette, etc., were completed and occupied by the Nursing Staff in October, 1939.

The Hospital serves the Borough of Colne and the adjoining districts of Trawden and Foulridge.

REPORT

For the Year 1947

The Board of Management present their Annual Report and Statement of Accounts for the year ended 31st December, 1947.

During the year 2,626 patients (795 In-patients and 1,831 Out-patients) received treatment at the Hospital. Detailed statistics follow at the end of this Report.

The year ended with a deficiency of £3,448, the combined effect of increased salaries and wages and higher costs being largely responsible. The increase in salaries and wages compared with last year amounts to no less than £1,350, or more than one-third of the deficiency and there are also large increases in the cost of fuel (£190), Consultants' Honoraria (£159), Establishment Renewals and Repairs (£270), and Dressings, etc., (£263). The increase in fuel costs is caused by higher prices, whilst the increase in establishment costs is accounted for by outside painting and interior decoration. The large increase in the cost of dressings is explained by the fact that the figure for 1946 was abnormally low as the stocks held during the War were being used up, whereas this year new stock has had to be bought.

In comparison with 1938, the last complete pre-war year, the increased cost of the Hospital is £8,703, which compares with a total expenditure in 1938 of £8,089 or less than one-half the cost in 1947.

Increased costs are, of course, common to practically every business to-day, but whilst the Hospital has to pay higher prices for its labour and supplies it is not able to pass on the increased cost to its "consumers" as other businesses do, and although some increase has been made in the charges

for patients and contributors the gap between income and expenditure has gradually widened until to-day we are faced with a deficit which earlier administrators of the Hospital would never have conceived possible.

On the Income side of the accounts the net increase compared with 1946 is £509. Fairly substantial increases on Subscriptions (£43), Alexandra Rose Day (£43), Contributory Scheme (£158), Patients' Payments (£217), Grants (£467) and Extraordinary Income (£200), were balanced to some extent by the large decrease of £532 in the income from Donations, which is due no doubt to the impending transfer of Voluntary Hospitals to State control.

The Endowment Fund amounted to £52,321 3s. 0d., at the end of the year.

In August, the members of the Board of Management lost a valued colleague by the death of Mr. Rennie Knight, J.P. He had been a member of the Board since 1935 and until illness curtailed his activities he took a very keen interest in the work of the Hospital. The vacancy thus caused was filled by the appointment of Miss Christiana Hartley, C.B.E., M.A., J.P., who, at the invitation of the Board, agreed to accept appointment as one of the two Representative Members under Rule 20(1).

The three Elective Members who retire in accordance with Rule 24 are:—Mr. R. Duckworth, J.P., Mr. H. Bannister, J.P., and Miss E. M. Whitworth, who are eligible for re-election.

The Board again express their sincere thanks to the Honorary Medical Staff and the visiting Consultants, Surgeons and Physicians for the excellent services which they have given during the year.

In January, Mr. H. A. Rippiner, M.B., Ch.B., F.R.C.S., M.R.C.O.G., resigned from the staff of Honorary Surgeons after giving very valuable service for a period of twelve years.

To fill the vacancy Mr. F. R. R. Martin, M.A., M.B., F.R.C.S. Eng., was appointed Honorary Surgeon, and at the same time Mr. R. Davidson, M.B., Ch.B., F.R.C.S. Eng. was also appointed Assistant Honorary Surgeon to relieve the pressure of work.

The death of Dr. W. Alexander shortly after the close of the year was a great shock to everyone. He had given loyal and devoted service to the Hospital since it was opened and was very popular. His place on the staff has been taken by Dr. T. Fletcher.

On the 1st July, Mr. W. Osborn was appointed Secretary in succession to Mr. H. W. Croasdale, whose services have been retained as Superintendent.

To the Matron and her staff, the Board once again express very high appreciation of the excellent manner in which their duties have been carried out. Not the least of Matron's difficulties during the year has been that of maintaining an adequate staff but by the loyalty and untiring devotion of both the Nursing and Domestic Staff the high standard of the work of the Hospital has been maintained.

The two District Nurses have continued their good work in the homes of the sick and during the year 5,775 visits were paid to 312 patients.

It is pleasing to observe that the Weekly Contributory Scheme has once again yielded a record amount, namely, £5,733 18s. 5d., an increase of £158 over the amount received last year. The assistance given by employers and their staffs in collecting the weekly contributions is greatly appreciated.

The ladies of the Linen League have continued their good work and in May linen to the value of £170 5s. 7d. was formally handed over to the Hospital. The Board are very grateful for their help and are happy to know that the League has expressed its intention to continue its activities in the interests of the Hospital after the Government assumes control.

From time to time kind friends of the Hospital have presented to Matron sums of money to be used at her discretion for such purposes as additional comforts for patients or members of the staff. As it was not always possible or expedient to use these gifts immediately, the Board agreed to meet the wishes of intending donors by opening a fund to be known as the Welfare Fund and the amount now in hand is £213 12s. 3d.

The condition of the Hospital buildings has been maintained and most of the paintwork has been renewed. The equipment remains efficient.

The sincere thanks of the Board are offered to: The generous friends who contributed to Matron's Christmas Fund to provide additional seasonal fare and entertainment for the patients; Those who have sent gifts and comforts for the patients during the year; The Members of the Police Force and the St. John Ambulance Corps for their willing help; All subscribers and organisers of functions in aid of the Hospital Funds; All others who have in any way contributed to the successful working of the Hospital.

The Hospital now enters the last phase of its life as a Voluntary Hospital as on the 5th July the Government will assume control but in the meantime the work must go on and the Board appeal for continued generous financial support.

R. DUCKWORTH, Chairman.

H. W. CROASDALE, Superintendent.

W. OSBORN, Secretary.

THE HARTLEY HOSPITAL LINEN LEAGUE.

Year, 1947.

The Annual Show of Linen, etc., was held on the 15th May, 1947, when Mrs. T. H. Hartley, on behalf of the League, formally handed over to the Hospital the goods provided for the year.

The Committee gratefully acknowledge the support of all subscribers in the past and wish to bring to their notice that it is the intention of the League to continue its activities in the interests of patients of the Hartley Hospital when the Government assumes control of the Hospital Services under the National Health Service Act, 1946.

Instead of asking Members and Associates to provide articles of linen it is considered preferable to ask for a small annual subscription so as to ensure uniformity in quality, size, etc., and to provide such articles as are most needed.

The articles provided include the following:—

- 36 pairs plain sheets (utility)
- 12 dozen bleached pillow cases
- 1 dozen linen pillow cases (utility)
- 8 lavatory towels (3 doz. ordered).
- 3 dozen basin cloths.
- 100 yards unbleached twill sheeting for draw sheets.
- 113 yards stout bleached sheeting for draw sheets.
- 56 yds. towelling for dressing towels, aseptic towels and theatre towels.
- 60 yards bleached cotton damask for tablecloths and traycloths.
- 8 linen tray cloths.
- 17 ecru cotton tray cloths
- Gift of 3 pairs operation socks from Foulridge W.V.S.
- Gift of dish cloths.
